young masters golf (£95)

young masters golf is a structured learning programme for children between the ages of 6 and 14 years. children progress through eight different levels, learning all aspects of the game rules and etiquette. each level consists of eight one hour lessons.

cadet - the entry level for children new to golf. introduction to the basic fundamentals such as grip, aim, posture and stance.

bronze - in this level the full swing, fairway woods and putting are some of the topics covered.

silver - playing on the golf course, bunker shots, the importance of warming up and playing awkward shots are covered in this level.

gold - uphill, downhill, ball above and below your feet are just some of the new shots to be learnt in the gold level.

masters 1 - playing high and low shots, playing in the wind and matchplay tactics are part of this level

masters 2 - focuses on the short game in more details. improve your chipping and pitching in this level.

masters 3 - speciality shots such as the draw and the fade are learnt in this level.

masters 4 - setting goals and targets, putting a round together and how to achieve peak performance are just some of the skills learnt in the final level.

for more details on the young masters golf programme, speak to one of our golf professionals or visit www.ymg-golf.com.
